## ***Arlington and Jean Duluth Fields - Opening and Closing of the Entrance Gate***

*It is the responsibility of the home team of the first game of the day (coach or other adult) to open the gate at the Arlington and Jean Duluth Soccer Complexes. Please try to have the gate open 30 to 45 minutes before the start of the first game. It is the responsibility of the home team of the last game to lock the gate.*

**Lock Combination**  
**1713**  
(Last four digits of the AYSA telephone number.)

### **Opening the Gate**

*The gate is secured by a chain that has either a lock at each end or just one lock. One of the locks has a combination. The combination of this lock is 1713 (the last four digits of the AYSA phone number). Use this combination to unlock the lock.*

*After unlocking the gate, secure each half of the gate to the posts at the sides of the drive.*

### **Closing the Gate**

*Swing the gates until they meet, wrap the chain around the ends of each gate, and then secure the combination lock. If there are two locks, secure the combination lock to the second lock. DO NOT secure the combination lock to another link in the chain if there are two locks.*
