

Adult Soccer Referees Needed!

The Twin Ports is in need of adults who are willing to be soccer officials! The game is growing in our community and there is a dire need for adults willing to serve as referees everywhere from youth soccer to local adult league to high school. To try to fulfill that need, an adults-only referee training class will be held on Sunday, August 11 from 9 AM to 3 PM, site TBA. This training will fulfill classroom requirements for USSF certification and MSHSL (high school) certification, allowing you to work any youth, high school or local adult league match

If you are interested in attending, please contact Doug Marshak at sdi@minnesotasrc.com for more information.
