

Welcome to the AYSA Fall League Championships!

U14 Boys Divisions

This document contains information about how teams advance in the playoffs, how to report scores, and other playoff information.

[Information on the First Round of Playoffs](#)

There will be two divisions in the U14 Boys playoffs, Gold, and Silver. Teams have been placed in divisions according to regular season team records as of September 7. There will be a first round of two games for each team, a Final Four in the Gold Division, and a Championship game in the Silver Division.

Ties are allowed in the first round of playoff games.

For first round playoff games, the winning team coach should call the game scores to AYSA at 218-624-1713 immediately after the game is played. Both coaches call if the game ends in a tie. Please leave team names and numbers, age group, score, and which team won. Remember, the sooner you call your score in, the sooner scores will be posted, and Final Four pairings can be determined. First round scores will be posted on this website daily and Final Four and Championship pairings when they are determined.

The point system used to determine advancement to the Final Four or Championship is as follows:

Win = 6

Tie = 3

Shutout Win = 1

Each goal = 1 (max 3 per game)

If teams are tied in points at the end of first round of play, the following tiebreakers will determine advancement:

1. Head-to-head in playoff play.
2. Most wins in playoffs.
3. Goal differential (goals for minus goals against, max 3 per game).
4. Fewest goals allowed in playoffs.
5. Most shutouts in playoffs.
6. Most goals in playoff games (max 3 per game).
7. Head-to-head in regular season.
8. Ranking in regular season.

Be Aware: Tiebreakers may determine which teams move on to the Final Four or Championship.

[Gold Division Final Four](#)

In the U14 Boys Gold Division, teams are ranked based on season record. The top four teams with the most points after two first-round playoffs games will advance to the Final Four. Final Four seeding will be based on season rankings, not total points earned in the first round of playoffs. The winners of the first Final four games will play for a championship, while the losing teams will play for third place.

Ties are not allowed in Final Four games. If tied at the end of regulation time, Final Four games will go to two (2) golden goal five-minute overtime periods. Golden goal means that the game will end immediately after the first overtime goal. Kicks from the penalty spot per FIFA rules will occur if the game is still tied at the end of overtime. The exception to FIFA rules in this situation is that all players will be eligible to be chosen by the coach to kick. Players need not be on the field at the end of overtime.

There will be t-shirts for all final four players after the Championship and Third Place games.

[Silver Division Championship](#)

In the U14 Boys Silver Division, the two teams with the most points after the first round of playoffs will advance to the Championship game.

Ties are not allowed in the Championship game. If tied at the end of regulation time, the game will go to two (2) golden goal five-minute overtime periods. Golden goal means that the game will end immediately after the first overtime goal. Kicks from the penalty spot per FIFA rules will occur if the game is still tied at the end of overtime. The exception to FIFA rules in this situation is that all players will be eligible to be chosen by the coach to kick. Players need not be on the field at the end of overtime.

There will be t-shirts for all Championship game players after the game.

[General Information](#)

First teams listed on the schedule will provide game ball and change if there is a color conflict in first round and Final Four games. This means your team needs to be prepared with an alternate jersey or pinnies in case of color conflict.

The playoffs are a time when coaches and fans get a little more tense and can take out their frustrations on our referees. This is a time to be very respectful to all those involved in our games, especially the referees. Please be gentle with our referees, pick up your garbage and leave your dogs at home.

If you have questions, please call the AYSA Office at 218-624-1713 or email info@arrowheadsoccer.com.
