SUMMER LEAGUE PLAYOFFS

Each team in the AYSA Summer League U12 and U15 age groups will be guaranteed two playoff games with the possibility of qualifying for a Final Four. In very small leagues, a championship game may be played in lieu of a Final Four, at AYSA's discretion.

Teams are seeded by late season win/loss record. Teams with a better win/loss record will be seeded higher. To seed your team for playoffs, **coaches will need to opt into playoffs by Monday, June 26. Playoffs are optional.** If your team does not wish to participate, we need to know by Noon on June 25 as well.

2023 Playoff Dates

First Round – July 7-9

Final Four/Championship Games – July 15 (rain date July 16)

To opt into playoffs, please send an email by Noon on Monday, June 26 to morgan@arrowheadsoccer.com.

AYSA referees will be reporting scores after each game. The form on the reverse side of this page is for your records. Please keep track of your record and game scores. You will not be responsible for reporting game scores or turning in record sheets this season.

Playoff brackets based on the number of teams participating will be posted by June 30. After the completion of scheduled games through June 30, teams will be placed into the playoff brackets based on regular season records. Playoff rules and point system will be posted on the AYSA website (www.arrowheadsoccer.com) by July 5 at the latest. Coaches will be asked to call in scores of first round playoff games immediately after the game is played. You will not need to call in Final Four games.
